Full Stack Java Developer with 2 years of experience building **scalable backend services** and **microservices** using **Core Java**, **Spring Boot**, and **REST APIs**. Skilled in **SQL (MySQL)**, **Redis caching**, messaging systems (**RabbitMQ**, **Kafka**), and deploying services on **Tomcat** & **Nginx**. Strong in **multithreading**, **authentication/authorization (JWT)**, and **Agile collaboration**.

## SKILLS

- Core Java, JWT Authentication, Security
- Spring Boot, Spring MVC, Spring Data JPA, Hibernate
- REST APIs, Microservices
- MySQL, SQL Optimization, Redis
- RabbitMQ, Kafka
- JSP, Servlets, HTML5, CSS3, JavaScript (ES6+), Bootstrap
- Git, GitHub, Postman, Jira, Docker
- Multithreading & Concurrency

## EXPERIENCE

### Backend Developer (Java)

Fonada ( Shivtel Communications Pvt. Ltd.) Fonada , Noida

Oct 2023 – Sep 2025

- Developed backend services for Rich Communication Services (RCS) platform with secure authentication, campaign management, and multimedia messaging.
- Implemented REST APIs, Redis caching, MySQL optimizations, and RabbitMQ workflows; deployed services on Tomcat and Nginx to improve scalability.
- Built SMS Platform backend for processing and callback handling; designed schema, optimized queries, and implemented JWT-based authentication.
- Delivered Disposition Analyzer service for chat/call dispositions; created reporting pipelines with Spring Boot, MySQL, and RabbitMQ.

## PROJECTS

### Rich Communication Services (RCS) Platform

Shivtel Communications Pvt. Ltd. | Fonada, Developer  
2023 – 2025

Developed backend for multimedia messaging, secure authentication, and campaign management using Spring Boot, MySQL, Redis, and RabbitMQ.

### SMS Platform – Fonada

Shivtel Communications Pvt. Ltd. | Fonada, Developer  
2023 – 2025

Built SMS processing backend with JWT authentication, schema design, query optimization, and real-time performance using RabbitMQ and Redis.

## EDUCATION

### BACHELOR OF SCIENCE HONS IN COMPUTER SCIENCE

Keshav Mahavidyalaya

JUNE 2020 – JUNE 2023

- Distinguished member of the University of Delhi
- Relevant coursework: BSC (H) Computer Science
- 8.25 CGPA
